Property Valuation Up Twenty Percent

City Tax Rate May Be Lower

New assessed valuation figures for Campbell show that there has been a twenty per cent increase in one year's time, thereby giving substance to the claim that Campbell is one of the fastest growing cities in California. New home construction and annexations account for some of this increase

The assessed valuation of Campbell property as the basis for computing the 1954-55 tax rate has been set at $6,931,340 as compared with $5,758,670 in 1953-54, and with $6,000,000 estimated by Mayor Richard Morton in his budget message on July 22nd.

Mayor Richard Morton in his budget message estimated that based on a six million dollar assessed valuation, the city tax rate would not exceed 82c per $100 valuation and that the rate can be specifically determined only when the county assessor gives the exact valuation figures. With these figures now known, William Enochs, city accountant said there is every indication the city tax rate will be lower than the 82c estimate, and that the exact rate would be submitted Monday at the city council meeting.

Increases were made in most other Santa Clara County cities.

The City of San Jose assessed valuations increase 5.16 per cent to a new high of $161,440,550.

Los Gatos valuations of $8,095,-500 were 16 per cent higher than Campbell and nine per cent up from their 1953-54 figure. Gilroy's valuation was $6,523,360 which is $307,980 below assessed valuations in Campbell, and $762,450 above their figure of the previous year.

Sunnyvale made a big jump in assessed valuations as also did Santa Clara due to industrial developments. Sunnyvale jumped $6,117,740 to $26,658,700; Santa Clara up $4,174,110 to $28,574,730; Palo Alto up $6,974,560 to $63,663,-020; Mountain View up $4,064,800 to $15,759,000; Morgan Hill up $184,270 to $2,027,550.

County Assessor Hayden Pitman said the $552,467,440 taxable valuation of property throughout hte county represents a 12½ percent increase over the figure of the previous year, as compared with a statewide average increase of 5.75 per cent. The San Mateo County increase is 6.68 per cent, Santa Cruz County is 2.30 per cent, Alameda County is 3.68 per cent and San Francisco County is 1.52 per cent.

$150,000 New Development

PLANNERS APPROVE SUBDIVISION MAP

Preliminary plans for development of the 84-acre Amato-Bellecitti properties on the westerly limits of Campbell between Latimer and Campbell avenues now being processed for annexation were approved Thursday evening by the Campbell Planning Commission and recommended to the city council for action next Monday.

Plans for the first unit on a thirty acre section will include 150 ranch style homes in the $11,000 to $13,000 bracket. Two street plans were submitted by the applicants and one in which streets followed a louvre pattern feeding into Latimer avenue and conditional that a one foot property line be dedicated as an easement to the city so that there will be no confusion in road rights when the annexable area might be extended further to the west toward San Tomas Aquino Road.

Van-Bar-Mal, Inc., of Oakland, subdivision developers agreed to this and said they were ready to proceed with the project when annexation is completed. The thirty acre tract for primary development is on the westerly limits of the tract, the remaining portion extending to San Tomas Aquino Creek where a portion is said to be reserved for a parkway highway.

Plans for setting up an administration code got under way at the meeting Thursday night as commissioners instructed Planning Consultant Nestor Barrett and City Attorney Joseph Bonacina to prepare the section for the planning commission in keeping with the request from the city council. The booklet sets up the forms, procedure and legal requirements in getting work processed by the city.

The planners approved plans Thursday for a Union Oil Station at Hamilton and Central Avenue, conditional that the company dedicate a two foot easement for widening Hamilton avenue to ninety feet.

A hearing was set for September 2 on the application of the Campbell Methodist Church for a permit to build a $72,000 sanctuary on their new site at Winchester Avenue and Latimer Avenue.

Homer Hyde, commission secretary reported that traffic survey sheets have been coded and are now ready for final tabulation on some 30,000 IBM cards to analyse the traffic flow of motorcars in Campbell.

Three Campbell Men Get Bucks

With approximately 2,000 people out on the opening day of deer season last Saturday, Tony Cefalu of the Campbell Sport Shop reports that Elver Bohnett of Campbell bagged a forked horn buck weighing 80 pounds dressed. Bohnett downed the deer in the Evergreen area off Sierra Road.

Wednesday morning Pete and Joe Cefalu, co-owners of the Campbell Sport Shop, killed a four-pointer which dressed out at 135 pounds in the vicinity of Gilroy.

LAST SWIMMING LESSONS SLATED

According to Bill Perry, pool manager at the Campbell High School swimming pool, there are still openings for all the schools left in the swimming classes for the final session of lessons for the summer.

Opening date will be August 23 and lessons will run until September 3

Perry also announced that this Saturday there will be another period of an hour from noon to 1:00 p. m. for tiny youngsters whose parents wish to bring them

CAR WASH DAY Next Saturday calls for a lot of polishing work by members of the senior Methodist Youth Fellowship who want to earn money for the Mt. Toyon conference encampment next month. Here are Carole Foster, David Gibbs, Norman Quinsland and Judy Quinsland limbering up for the wash jobs to be done back of the Methodist Church here, cleaning inside and outside for one dollar.

CAMBRIAN PARK PLAZA GROWS

Bank Of America Branch Opens Monday, August 29

The new branch of the Bank of America in Cambrian Park will hold an open house August 21 from 2 to 5:00 p. m. so that residents of Cambrian Park and the surrounding area can get acquainted with the personnel and location of the new branch.

The new quarters which will open for business on August 23 are spacious comprising 5,300 square feet of floor space and all banking facilities will be available in the branch including safety deposit boxes.

Hours will be from 10:00 a. m. to 3:00 p. m. Monday through Thursday and Fridays the bank will be open until 6:00 p. m.

Roland Risso, formerly cashier and assistant manager of the San Carlos branch of Bank of America, will be manager of the new branch. He has been with Bank of America for 24 years and will make his home in Cambrian Park with his wife and family.

Other personnel includes James C. Malone of Campbell, chief clerk; Theo Williams of the Campbell area, note teller; Mrs. Helen Henry of Cambrian Park, commercial teller and book-keeper; Miss Thelma Norene Cummins of Cambrian Park, stenoghapher and bookkeeper trainee and Maurine Grover, teller at the California-Broadway Branch in Redwood City who will be transferred here on Aug. 30.

Campbell Dollar Days Coming Soon

Sam P. Cava, president of the Campbell Chamber of Commerce, this week announced that plans are underway for Dollar Days August 19, 20 and 21 to be sponsored by the chamber.

Cava said "shoppers of our community need not go away from town to find bargains. In checking many of the local merchants, I find that prices are comparable or better in Campbell than in any other trade area nearby."

Co-chairmen for the event are Robert Seligson of the Campbell Variety Store and Orrin Accardi of Accardi's Appliance Store.

Merchants cooperating are planning the most colossal values ever offered to the local shopper and as Cava stated "our merchants are extending themselves to give the people of the Campbell area the finest merchandise at the most reasonable price possible with the added convenience of shopping at home.

For the first time in Campbell there will be a "treasure hunt" for shoppers on the same days as the Dollar Days. Every copy of the Campbell Press and Shopping Guide reaching the people on August 19 will be numbered and each store participating will be assigned one number.

On presentation of the complete copy of the Press or the Shopper's Guide at the store which displays the same number, the customer will receive a $5.00 merchandise order at that store. There will be as many winners as there are stores participating in the event.

Winners must claim merchandise orders before 6:00 p. m. on Saturday, August 21 and merchandise orders must b eused by closing time September 4.

Campbell merchants and members of the Campbell Press staff and their immediate families are not eligible.

Campbell Police Seeking Vandals

Campbell Police are seeking the unidentified persons who smashed 17 windows at the Campbell Grammar School probably late Sunday night.

The vandalism was reported by custodians at the school on Monday morning and on investigation police found beer cans and openers nearby leading them to suspect a group of teen-agers.

$130,223 TO COUNTY FOR HIGHWAY WORK

Santa Clara County is to receive from the state highway users tax fund a total of $130,223.71 according to State Controller Robert C. Kirkwood of Saratoga.

The total includes $11,758.29 earmarked for construction expenditures on primary road systems, Kirkwood said.

SCHOOL OPENS SEPTEMBER 13

William C. Henley, superintendent of the Campbell Union Elementary School District, this week announced that district schools will open September 13.

School offices will open September 1 for the registration of new students in the community and for kindergarten children. Henley said that all students entering kindergarten must be four years and nine months on or before September 1 and that verification of age must be presented at the time of registration.

The Board of Trustees of the Campbell Union Elementary District met last Thursday night to approve and adopt at 1954-55 budget of $1,478,511.40.

This budgetary figure includes repayment on state school building loans in the amount of approximately $59,000 and re-establishes reserves which were depleted during the past year due to deficits in state apportionments.

Other budget items include $108,106 for capital outlay; $73,000 undistributed reserves and $28,000, general reserves.

The board also approved a lease of approximately three acres of land adjoining Moorpark School to Joseph Curci for farming and Curci in turn granted the school district an easement which provides access to Moorpark School from Fruitdale Ave.

HIGH SCHOOL TO OPEN SEPT. 20

The 1954-55 school calendar approved by the Campbell High School Board on Tuesday night, set Monday, September 20 as the opening day of school. Superintendent Laurance Hill said yesterday that new students in the area may register early if they attended any other school outside the high school district in the last term.

The bus routes are to be the same as last year.

Holidays for the new term will be Armistice Day, Nov. 11; Thanksgiving, Nov. 25 and 26; Christmas vacation, Dec. 20 to January 1; Washington's birthday, Feb.. 22; Easter vacation April 4-April 8, and Memorial Day, May 30th.

County Planners Meet Tonight On Land Use Zoning

A special workshop meeting of the County of Santa Clara Planning Commission will be held at 8 o'clock this evening in the offices of the Planning Department at the Santa Clara County Office Building, First and Rosa Streets, San Jose. Purpose of the meeting will be to discuss the proposed 64th Unit of the Zoning Plan with representatives of the Cupertino Land Use and Zoning Committee, with a view toward arriving at final decisions in the matter.

Local Fur Breeder Addresses Lions

Al Darling, owner of the Fur Breeders Agency in Campbell, was the guest speaker at the Tuesday evening meeting of the Campbell Lions Club at the Country Woman's Clubhouse.

Darling told the assembled members about the care and breeding of chinchillas and showed a film on the raising and care of the little animals.

Plans for the next meeting are underway when the club will entertain the team the Campbell Lions Club sponsored in the Pony League. The baseball players were coached by club member, Thayer Lyons.

Shopping Center Addition Will Be Complete On Monday

Charles A. Quinn, vice president of Schaeffer Lands Inc., this week announced that construction on the new 18,000 square foot building at Cambrian Park Plaza Shopping Center will be completed by August 15.

The building which is of the same design as the unit already completed and in operation will house five business units including a bank, post office, hardware store, shoe store and men's store.

The Bank of America will open a branch in the new building on August 23 with six employees in the branch on opening day.

According to Postmaster E. E. Briggs of the Los Gatos Post Office the new post office at Cambrian will be a classified station under the jurisdiction of the Los Gatos Post Office.

The office will have approximately 4,000 square feet of floor space and there will be a supervisor in charge who will be appointed by Briggs at a later date.

Office will be staffed by a crew of eight with two rural carriers servicing routes three and five, three carriers servicing their routes on foot, one man for parcel post and a city mounted route and two clerks in the station.

There will no lockboxes available and hours will be from 8:00 a. m. to 6:00 p. m. weekdays and 8:00 a. m. to noon on Saturdays.

Briggs said that the new station will be in operation on or before October 1.

The hardware store is being opened by Arthur A. Swanson, a former Waterloo, Iowa businessman. He will feature paint, housewares, builders hardware and general hardware.

Swanson resides with his wife and family at 14961 Charmeron Ave., Cambrian Park.

Negotiations are still underway with a shoe concern for occupancy of the fourth store.

Bernie Dale Men' Wear is moving from its present location in the Cambrian Park Plaza Shopping Center to one of the new stores which will give Dale the increased store space his business requires.

Dale has been in business in the shopping center for the last year and is assisted by his wife and Guy Troedson in its operation.

In speaking of the move Dale commented "I am very pleased with the people in the area who have received my store and merchandise so well."

Dale makes his home with his wife and two children at 14266 Wyrick Ave., Cambrian Park.

Lloyd E. Elliot of Fresno will be opening a yardage shop in the store now occupied by the Bernie Dale in the present store unit.

School Districts Propose Changes In Boundaries

Four school districts are involved in a proposed exchange of two areas to be heard before the Santa Clara County Board of Supervisors next Monday morning.

One case relates to two petitions, one asking that San Jose Unified School District's boundary be changed to exclude territory west of Kirk Road and south of Foxworthy Ave. This is the western portion of the 1952 Willow Glen No. 10 annexation.

....The second petition asks that the San Jose district include an area lying north of the jog in Kirk Road as far as Dry Creek Road. In effect, boundary changes represent an exchange of territory between San Jose and Cambrian Union School District. Both petitions are by mutual consent of the two school boards and have been recommended by County Superintendent of Schools O. S. Hubbard.

Four New Fire Dept. Volunteers

At a regular fire drill last Sunday members of the Campbell Volunteer Fire Department instructed four new volunteers in the use of hoses and nozzles.

The new volunteers are Harry Story, Johnny Yerkivich, Ray Evora and Clyde Bough. All new members either live in Campbell or are employed here.

Election Called for September 29

MORELAND DISTRICT TO HAVE NEW SCHOOL

The application of the Moreland School District for state funds with which to construct a new school was approved Monday at Sacramento by the Local Allocations Board of the State of California. This will be the third school in the Moreland district and will be located on a ten-acre site at Bucknall and San Tomas Aquino Roads.

The new school will be known as "Escuela la Palma" and the first unit to be constructed will consist of six classrooms and one kinderroom.

The school board has called an election for Wednesday, September 29, to authorize them to accept three-hundred thousand dollars ($300,000) from the state.

This money will be used to construct this school and to purchase additional school sites.

Voting will be at the El Quito Park School and at Moreland School. This loan from the state will not increase the present district tax rate.

High School Tax Of 75¢ Retained

A budget of $902,558 was approved for the next fiscal year Thursday afternoon by trustees of the Campbell Union High School district. The board voted to maintain the seventy-five cent tax rate for the district, three cents of which is for recreation.

The budget allocates $472,-438,50 for teachers salaries; $28,-1771.89, capital outlay; $25,000 unbudgeted reserves; $58,539.50, instruction expenses; and $42,425, pupil transportation.

The district expects to accrue $13,740 from its recreation levy while expenditures for the summer program will mount to $40,-000. However, taxes contributed by participating elementary districts will bring in another $13,500. The deficit is financed through summer program instruction fees and various privilege cards.

BROADEN THE TAX BASE

As Campbell's assessed valuation of taxable property increases some twenty percent in a year, so also will the tax rate be somewhat reduced. This is a good example of a broad tax base, something needed for a growing city where, for some time, we will be building for the future.

All of Santa Clara County is benefitting from this increased valuation of properties due to greater number of new homes and industries. And there again is reason for inviting industry to an area, for it contributes generously toward a broader tax base.

DISTILLERY FOR SEA WATER

Sea water evaporators are soon to be installed by the Pacific Gas and Electric Company to produce fresh water for boiler operations at its generating plant down by Morro Bay in San Luis Obispo County. The process has long been in use on a small scale aboard ships, but this is the first industrial application of ocean water distillation and it will produce fifty gallons a minute or 72,000 gallons a day.

One of these days there will be a distillation system set up for bay water so that it can be released for irrigation purposes and to raise the water level in the dry seasons. Secretary of the Interior Douglas McKay told an audience at San Jose last October that such a plan is practical and that the government is now working out the details.

If the government can produce 72,000 gallons a day of distilled sea water, lifting it to reservoirs to Salinas and other areas where and when needed the same way the Sacramento River water is lifted to Fresno county, it may solve a lot of agricultural problems. Secretary McKay said at a press conference attended by this writer, that atomic energy may be the key to this problem. If it is, then duplicating what private industry is setting out to do in producing 72,000 gallons of distilled sea water would be a simple matter. Three hundred days producing that much water runs to 21,600,000 gallons, which is a fairly good flow.

NATURAL LAW IS BEST

Many learned treatises have been written on the theory and the practical workings of the law of supply and demand. These are often couched in the forbidding language of the economists and aren't for laymen. But the way the law affects us in our daily life can be very simply explained.

In the last two years or so the meat industry has provided an exceptionally good example of the law in action. In 1953, the amount of beef that went to market was much greater than in 1952. The result was that beef prices declined between 10 and 35 per cent, depending upon cut and grade. Other meats also demonstrated the strong production-price relationship that exists.

Under this natural law, in other words, prices tend to rise when the available supplies of any commodity in wide use decline—and they tend to drop when the supply increases. This year, as last, there are lavish supplies of meat in the markets.

Anything which tends to artificially limit production, or otherwise interfere with the supply and demand market, hurts producers and consumers in the long run, because of resulting shortages. Man has not been able to improve on natural economic law.

ROOSTERS AND POLITICIANS

Did you ever notice people in public life who make you think of roosters in the act of flapping their wings and crowing? They both make a lot of noise, but don't say much.

All you have to do to quiet the silence-splintering rooster is to build a ceiling 12 to 18 inches high over the roost where the head of the flock rests at night. When the rooster raises his neck at the crack of the dawn to shatter some delicate nervous system, he will give his head a smart rap on the board above his roost. This will so surprise him he will forget to crow.

TRY A STOGIE, DARLING

Writing to the editor of her local paper, Elizabeth Burchard of Berkeley has said something which may send a chill up masculine spines. She said that if pipe manufacturers would make real smart little pipes that lots of women would use them. She said pipes with silver mouthpieces, stems inlaid with mother-of-pearl, rhinestones or other jewels, together with lovely accessories, such as hand-tooled tobacco pouches, would be darling.

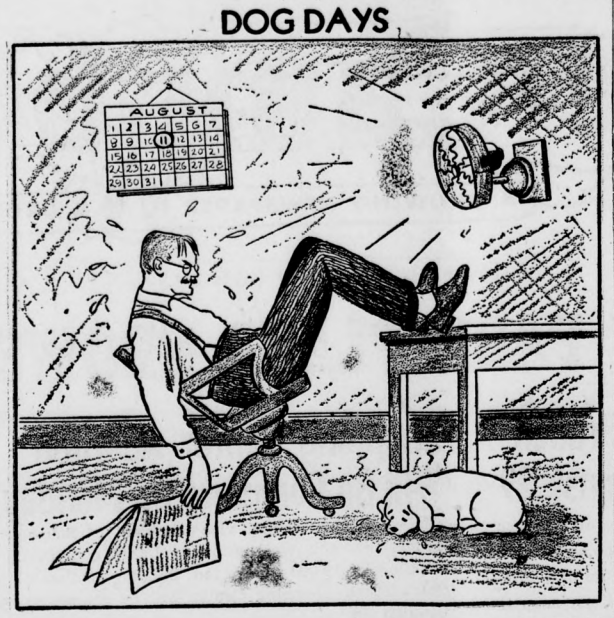
Think again, lady—think of your loving spouse! Wouldn't you be just as happy with a cigar with a fancy band around it? Haven't you heard about tobacco smoking and cancer?

SUICIDE LANE

The center lane, next to the double line is called "suicide lane" by the California Safety Council. There is but ten inches between you and the other fellow when you hug the line travelling in opposite direction at high rates of speed.

The slightest loss of control may throw you into a head-on collision. Statistics show that when brakes are applied hard, the car skids to the left. That's all it takes. The Safety Council contends that the only time it is necessary to use Suicide Lane is while passing or preparing to make a left turn. You flirt with death if you speed in suicide lane.

DOG DAYS



The Campbell Gambol

BEES AND TREES Made news Monday on Railroad Avenue as a Southern Pacific crew attempted to remove a fifty-year old Catalpa tree with a two-man cross-cut saw and found, when the tree fell, they had cut right through a nest of bees . . . a beekeeper was summoned after the workmen had slowed down, and the queen was removed to a hive so that her cousins, uncles, and children could swarm in the hive to be removed to a more strategic location for workmen . . . a black acacia which had split its sides at the antics was also removed with the Catalpa so that additional off-street parking may be provided near the depot . . . LeRoy Black, city superintendent of streets, said he will have the lot bladed off for parking purposes . . . the Catalpa is said by old timers to have been planted at the turn of the century when street cars were running on Railroad avenue and the Southern Pacific was extending through to Vasona and Santa Cruz, the park being set up between the two lines here with ample shade over a few park benches.

PRUNES served right, have lots of good food value and gives a fellow a lift in the morning to tackle a day's work, but we would just as soon not have so many trees loaded with them in our back yard right now . . . if the darned things would only drop, wrinkle up and could be scooped up for putting away in boxes, the situation would be far more simple, but no . . . they stick tenaciously until they break limbs, they ripen in spots which birds pick at, then they fall all over the lawn, in the thorny black berry vines, and onto the newly painted patio, then if you leave them alone they let out a sweet goo that sticks to your rubber heels . . . eventually the juice ferments and the fruit shrivels up to the stone and is no good for anything . . . C. J. Stojanovich, one of our leading growers says to home preserve the prune, only those with unbroken skins should be selected, dip them with a strainer for about five seconds into a weak solution of lye water and then put on trays in the sun . . . the lye opens the skin pores thereby letting the moisture escape and leaving the meaty stuff that tastes so good later on in the season . . . which is what's the matter with us city fellers who think milk goes right from the cow into bottles or waxed paper cartons, eggs come from cackling hens into trap nests then rolled along endless belts to egg boxes for the grocers, and prunes smile awhile at the sun while being sweetened then give up and plop into bins ready for the consumer. The Sunsweet plant in Campbell has the fast clean, safe way of keeping the mostest in the prune for your breakfast table, but a trained man will have to tell you about that while we get back to the funnies.

Winners Given At Floral Fiesta

Sweepstakes and first prize winners in model gardens were announced today as the San Mateo Fair and Floral Fiesta swung into its sixth day at the Fiesta Grounds. One hundred five judges, assisted by thirty-six clerks judged the huge flower show on Friday afternoon preceding the grand opening. Chairman of the judges was Professor H. M. Butterfield of the University of California.

The Pacific Nursery of Colma won the sweepstakes for the finest indoor floriculture exhibit with a Modern Garden featuring water effects, sun bathing and patio areas.

A sweepstakes cup went to Huebsch Garden Construction of San Mateo for a garden illustrating Outdoor Living on the Peninsula with a garden pavilion.

California originated 36 per cent of the total U. S. rail shipments of melons in 1953.

Optometry Group To Study Projects

The officers of the Woman's Auxiliary of the Santa Clara County Optometric Association, at a meeting at the home of Dr. and Mrs. Harry C. Hill, made plans for a lunch-meeting of the entire membership to be held August 20th at the Sainte Claire Hotel.

Purpose of the meeting is to adopt a program of activity for the late summer and fall months.

Mrs. A. C. Heinsen Jr., chairman announced that an added feature on the agenda will be a talk on Child Behavior by Dr. Helen Mehr of Santa Clara who is a member of the Auxiliary.

Officers of the Auxiliary are: Mrs. L. H. Foster, president, Mrs. Robert Jasmine of Campbell, Mrs. Harry Hill and Mrs. Benjamin Nerenberg, vice-presidents, Mrs. A. C. Heinsen Jr., secretary and Mrs. C. R. Norman, treasurer

Navy, Air Force Aces To Fly At Airport Festival

Blue Angels and Thunderjets will take part in the three-day Flight Festival which well dedicate San Francisco's $50,000,000 International Airport in San Mateo County Aug. 27-29.

Among aircraft on exhibit during the event will be the VTO (vertical take off), F80 Shooting Star, F2H Banshee, A3D twin jet night intercepter, F86 Saberjet and C124 Globemaster. Commercial planes will be on display along with the military craft and there will be continuous displays, exhibits, Coast Guard air-sea rescue demonstrations, entertainment and flying exhibitions daily between 10 a. m. and 8 p. m.

More than half a million visitors are expected.

SCHOOL BOARD POLICIES OKAY

Relations between teachers, administrators, and school boards are steadily improving in California. As a result, community fights over school matters are on the decrease.

This is the gist of a recently published report on a survey of personnel policies and practices of California school districts conducted by Dr. Kenneth Brown, Research director of the California Teachers Association. Results of the survey show that most of the districts in which teacher-administrator relationships are considered most satisfactory are those in which the school board "has formally adopted personnel policies."

Evidence that the trend is approved and will continue is indicated by the fact that approximately 40 percent of the districts surveyed have board-adopted policies. An additional 35 percent are engaged in studies anticipating a formal statement of procedures.

Berry Institute Director Warns Parathion Users

Strawberry ranchers who carelessly use the poisonous insecticide parathion were verbally lashed by Dr. Harold E. Thomas, director of the Strawberry Institute of California.

Dr. Thomas called for stricter law enforcement of regulations regarding use of the deadly powder which caused the death of a nine-year-old boy near Coyote, last week.

The state's strawberry industry may be seriously hurt if a few growers continue to disregard safety precautions when using parathion, once a World War II nerve gas of the Germans, Dr. Thomas allowed.

He was not recommending that growers quit use of the insecticide, although he acknowledged that members of the Strawberry Institute—a dozen in Santa Clara valley—do not use it.

Dr. Thomas went on to explain that many strawberry ranchers must use the powder because of a habit-forming tendency that plants have developed from the poison.

In the parathion addicted plants, the insecticide has successfully killed the predator mite, he said. Predators are allowed to flourish for a while in turn kill other mites such as two-spot mite. Later, other insecticides, less toxic that parathion, kill the predators.

EXTRA STEPS IN MARCH OF DIMES

Solicitation of funds by mail in behalf of the Emergency March of Dimes Drive, August 16-31, to continue its fight againsa paralytic polio, will be initiated this week end when a huge mailing of 126,000 pieces goes to all Santa Clara County residents.

Monday, August 16, is the opening day of the emergency drive.

The mailing piece is a special three-in-one unit, consisting of the outgoing envelope, a return envelope in which contributions can be placed and a letter telling the reasons for the urgent need for funds with which to carry on the fight against the crippling disease.

The smallest squids and octopuses measure less than two inches when full grown.

GARDEN CLUB PLANNING TEA

Members of the Campbell Garden Club voted to have a tea and flower arrangement speaker in November as their money-raising project for the years at a meeting last Wednesday at the home of Mrs. Beverly Edick, 1023 Stephens Court.

The tea will be held instead of the fall chrysanthemum show previously held to raise money by the club.

The club's county fair exhibit was discussed by Mrs. E. R. Miller, who is serving as chairman of this activity.

Speaker of the day was Hamilton Fish of Los Gatos, owner of Elliot's Nursery on the San Jose-Los Gatos road. His talk was primarily about shrubs and landscaping and about one of the newest soil conditioners. Following his talk he answered questions for members and discussed their individual garden problems.

The meeting was conducted by Mrs. Robert M. Dunn, club president, and after the meeting adjourned punch was served by the hostess.

The next club meeting will be August 18 and club members will be notified as to place and speaker.

Moorpark Faculty Holds Potluck

All the teachers were invited to a pot-luck barbecue last Thursday night at the home of Mr. and Mrs. Charles Henizer.

The social event was planned and organized by Mrs. Henizer and guests enjoyed getting together again before school opens.

Those attending were Mmes. and Messers. John Duncan and family, Enoch Robertson, Andrew Olson, Ori DiBenedetto and family, Frank Blaine, R. G. Guio, Mac Swengel, Oliver Pierce, Earl Morway and family, Jack Barrett and Cliff Cassiday.

Mmes. Doris Parson, Janice Atkinson, Thelma Wathen, Caroline Henizer, Gertrude Metcalf, and Misses Laura Lee Willson, Carolyn Coons and Marie Gromo.

Engagement Told At Family Dinner

The engagement of Marilyn Quain and Edward David Merrill was recently announced at a family dinner given by the prospective bride's parents, Mr. and Mrs. Ralph C. Quain of 1743 McBain Ave., San Jose.

The bride-elect is a graduate of Campbell High School, president of San Jose Theta Rho Girls Club, I. O. O. F. and plans to enter San Jose Junior College in the fall.

The prospective bridegroom is the son of Mr. and Mrs. E. A. Merrill of 27 N. Milton St., Campbell, is a graduate of Campbell High School and also plans to enter San Jose Juniior College in the fall.

No definite date has been set for the wedding.

Republican Ladies To Hear Senator

Senator Jack Thompson will talk on the "Legislative Procedure in Sacramento" at a meeting of the Campbell Council of Republican Women August 19 at 12:30 p. m. at the home of Mrs. M. J. Bohnett, 5 El Caminito.

The meeting will be a guest day in connection with membership extension month being observed between September 15 and October 15 by the National Federation of Republican Women.

There will be a pot luck luncheon before the meeting and all interested Republican women are invited to attend.

For further information interested women may contact Mrs. Zeno Hallett at FR 8-2029.

JOYCE TOYOTA RECENTLY WED

Joyce Fukiko Toyota and Isamu Momii recently exchanged wedding vows at the Japanese Methodist Church in San Jose.

The Rev. Francis M. Hayashi officiated at the 3:30 p. m. ceremony.

The bride, given in marriage by her father, wore a gown of Chantilly lace over satin with an off-the- shoulder neckline. Her short veil was held by a coronet of lace trimmed with seed pearls and she carried a bouquet of white orchids and stephanotis.

Jeanne Miyakusa served as maid of honor in a gown of lavender net over taffeta and carried a basket of yellow carnations and tuberous begonias.

Haruko Ogata performed her duties as bridesmaid in a light green gown styled identically with that worn by the maid of honor and also carried a basket of flowers.

Carol and Donna Osugi, the bride's cousins, were the flower girls and wore gowns of green and of lavender. They carried tiny baskets filled with carnations.

Henry Nakamura served as the best man and the ushers were Henry Miyomura, Yeiji Toyota and Noboro Moii.

The brides mother wore a gown of brown lace with a green orchid corsage at the shoulder and the groom's mother selected a navy blue suit worn with an orchid corsage of white.

A reception followed the ceremony at the Shanghai Restaurant and before leaving for the honeymoon the bride changed to a dress of pink lace with matching accessories.

Joyce is a graduate of Campbell High School and majored in interior decoration at San Jose State College where she continued her studies.

The bridegroom graduated from San Jose State College in aeronautics and is now a lieutenant in the U. S. Air Force stationed in San Antonio, Texas, where the young people will make their home.

Family Reunion At Smith Home

Mr. and Mrs. William Canfield of Glen Ellyn, Ill., have been visiting relatives in California. Mrs. Canfield is the former Evelyn Voge, who graduated from Campbell High School and Mr. Canfield is the secretary-manager of the Inland Daily Press Association of Chicago, Ill.

While Mr. Canfield was attending a newspaper association meeting in San Diego, Mrs. Canfield and their five children were visiting Mr. and Mrs. Stanley B. Smith of the Santa Clara-Los Gatos Road. The highlight of their visit was a family reunion when thirty-three relatives gathered together.

Besides the Canfields and the Stanley B. Smiths, there were Mrs. Clark Kerr of Berkeley and her three children, Dr. Hervey Voge and his three children, Dr. and Mrs. Noel Voge of Los Angeles and their son, Mr. and Mrs. Harry LaMar of Campbell and their three children, Mr. and Mrs. Loren Smith of Fresno, Albert Smith of Campbell, Mr. and Mrs. Ed Spafford (Lois Smith) of Davis, Mr. and Mrs. C. Gordon Smith of Los Altos and their son, and Mrs. Dorothea Glass of Medford.

Young Repubs Plan Barbecue

Mr. and Mrs. Arthur J. Critchlow of 725 Wekiva Ave. will be host and hostess this Sunday at a barbecue and garden party for the Young Republicans of San Jose.

Mr. Critchlow is vice-president of the club which is open to residents of Campbell and the surrounding area. Anyone interested in joining is asked to contact him at FR 8-6948.

Family Reunion 39th Anniversary

A family reunion was held Sunday at the GLEN KNOWLES' on Cherry Lane, honoring the 39th wedding anniversary of Mr. Knowles' parents, Mr. and Mrs. J. W. Knowles of 140 W. Rincon avenue. All 32 children and grandchildren were present, including Mr. and Mrs. Glen Knowles, Mr. and Mrs. George Grady and five children of Cupertino, Mr. and Mrs. Ed Geary and four children of San Jose, Mr. and Mrs. David Knowles and two children of Sunnyvale, Mr. and Mrs. B. W. Hartman and two children of Santa Barbara, Mr. and Mrs. Robert Knowles and two children of San Luis Obispo, Selma Knowles of San Francisco and Dan Knowles who flew from Ft. Knox, Kentucky to round out th efamily circle.

Mrs. CATHERINE HALLIWELL of East Rincon Ave. underwent surgery at O'Connor Hospital a week ago and is recovering nicely.

60th Anniversary Celebrated Here

Children and other relatives of the Rev. William H. and Mrs. Lloyd gathered at their Campbell home last Sunday to join in celebration of their sixtieth wedding anniversary. Mr. Lloyd and Miss Grace Mann were married on the 7th of August, 1894, in Saginaw, Michigan, at the conclusion of his first pastorate spent in organizing and building a new church in that city.

After serving other churches in Michigan, they decided for health reasons to come to California in in the fall of 1904. Among his responsibilities since coming to California, he was for some years visiting Chaplain at Folsom prison and, later, Resident Chaplain at San Quentin, followed by pastorates in Campbell, Centella, and Calvary in San Jose, Petaluma, Hollister, and Sunnyvale.

Having spent about twenty-five years as an executive caring for the interests of retired ministers and dependents in addition to his pastoral duties, Mr. Lloyd entered the retired group himself in 1937. The Lloyd home since the fall of 1946 has been maintained at 39 N. Second St., Campbell.

Among those present to honor the couple on this most unusual occasion were three sons: Charles H. Lloyd and wife of Palo Alto; William N. Lloyd and wife of Campbell; Walter M. Lloyd and wife of Fresno; a daughter, Mrs. Edward H. Harrington and husband of Sunnyvale; a niece, Mrs. Harold Hilton of Boulder Creek; a nephew, Ralph Lloyd and wife of Los Altos.

The grandchildren attending were: Messrs. and Mesdames Charles E. Lloyd of Palo Alto, Herbert Harvey of Palo Alto, Robert Hicks of Van Nuys, Richard Lloyd of Los Gatos, David Bowen of Sacramento, and Harlow Lloyd of Mountain View. Other grandchildren were Nancy Hoehn of Mountain View, Roxanna Harrington and Verne Harrington of Sunnyvale. Raymond Pacheco, Patricia Ellis of Sunnyvale and Rev. and Mrs. Edwin Bolling of Campbell were also present, as well as four small children representing the eight great-grandchildren of Rev. and Mrs. Lloyd.

The couple received their guests and the happy congratulatory greetings in their usual gracious manner, having greatly enjoyed their family these many years.

Guild To Meet

The Wesleyan Guild of the Campbell Methodist Church will meet August 16 at 7:30 p. m. at the home of Mrs. Ella Griset at 4109 DeMille Drive, San Jose.

There will be a business meeting and program and co-hostess for the evening will be Mrs. Eula Blaine.

California has 168 tree farms comprising 1,591,934 acres of forest land.

Kabers Entertain Legion Members

Mr. and Mrs. Rex A. Kaber entertained the members of the executive committee of Campbell Post 596, American Legion and their wives at a barbecue dinner at their home on Emory Ave., last Tuesday, August 3rd.

After dinner various plans were discussed for activities for the Post during the coming year. One activity will be the placing of American Legion "Drive Carefully" road signs in and about Campbell. A report that the flagpole and California flag donated by the Campbell Post to the City of Campbell is in use and will be dedicated at the time of the dedication of the new fire truck. A report by Harold Adams, chairman of the athletic committee, told of satisfactory progress of the Legion Team in the Campbell Pony Baseball League.

The next Post meeting will be August 25th following a public turkey dinner given by the Legion Auxiliary in the Odd Fellows Building at $1.50 per plate. All Legionaires are invited to attend.

Mr. and Mrs. CHARLES CHUBB of Emory Lane are spending the summer in the Imperial Valley where Mr. Chubb is working on the Imperial Valley Dam for the San Jose Water Co. Last week Mr. Chubb was called out to help fight a forest fire in Tuolomne Co.

Emblem Club Plans Rummage Sale

The Los Gatos Emblem Club will hold a rummage sale at 52 Winchester Drive in Campbell on Friday and Saturday, August 13th and 14th. This sale is being held to add to the fund for the various charities in which the club participates.

The chairman is Mrs. George Callicotte, who is being assisted by Mrs. Harold Partridge. The committee consisting of Mesdames Wm. Breig, Fay Hood, Perry Rhodes, Gail Watson, Robert L. Kline, B. E. Tomasso, Frank Diegnan, and John Read, will be ready and willing to pick up articles from members or friends wishing to contribute. The store will be open for receiving all day Thursday.

Little League Breakfast Set For August 29

The first annual Campbell Little League breakfast has been scheduled for Sunday, August 29th from 8:30 to 10:30 at the High School when ham and eggs with hot cakes and coffee will be served. Those attending are asked to bring their own place settings as eating will be done outside.

Donations of $1.50 per adult and 75c for children under six will be accepted from those attending. A $15 glove will be awarded the boy selling the most tickets by Mike Ryan and Sons and to the next five, there will be a choice of a bat or a baseball. The breakfast is to benefit the Little Leaguers and Farm League.

At eleven, when the breakfast will have settled, there is to be a Father-and-son ball game.

The world's sheep population at the beginning of 1954 reached a new high of about 851 million head.

Christian Science

That true happiness is to be found through understanding the spiritual laws which govern the universe including man will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Soul."

The spiritual nature of happiness is set forth in the following passage which will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy. (60:29-2):

"Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul. Higher enjoyments alone can satisfy the craving of immortal man. We cannot circumscribe happiness within the limits of personal sense."

The prophet Isaiah's promise of peace and joy to those who spiritually understand God will be included in the readings from the Bible (Isaiah 55:12): "For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands."

Dairy herds constitute the greatest part of California's cattle population.

Lending Agencies Asked To Process GI Loans In Area

In order to speed up the processing of GI home loan applications, Veterans Administration today urged supervised lenders to process GI loans without asking VA for approval in advance.

Banks, savings and loan associations and insurance companies, supervised by Federal or State banking authorities, originate more than 50 percent of all GI home loans.

They have the privilege of making, processing and closing loans automatically without advance approval by VA and then coming to VA for guaranty.

Non-supervised lenders, mostly mortgage brokers, must get the prior approval of VA before making GI loans.

As a result of the easing of the GI mortgage money market since the beginning of the year, the number of home loan applications has increased sharply. During June, VA received 46,239 loan applications which was a 75 percent increase over the 26, 454 received in June 1953.

VA estimates that approximately 24,000 of the 46,239 loan applications received during June came from supervised lenders. Of the 24,000, only about 9,600 were processed by supervised lenders automatically.

Thus, if all of the June loans originated by supervised lenders were processed by them on the automatic basis, overloaded VA offices would have been saved the necessity of reviewing nearly 15,000 applications for prior approval, VA said.

In addition, the veteran-applicant would have been in his home a week or two sooner on the average, VA added.

In view of the increasing work loads in VA offices and the desirability of closing GI loans with the least possible delay, VA asked supervised lenders who have been sending in loan applications for VA's prior approval to reconsider their practices.

VA emphasized that as long as the price of the property does not exceed the reasonable value set by VA appraisal and the veteran is eligible, there is no need for contacting VA in routine cases until after the loan has been closed and fully disbursed.

4-H Club Plans Co. Fair Entries

County Fair entries were the main order of business at a recent meeting of the San Tomas 4-H Club at the home of Mr. and Mrs. R. Slauter.

Marcia Slauter presided over the business meeting when Linda Curtis was selected to represent the local club at the State Convention in Davis from Aug. 31 to Sept. 3.

Plans for a club picnic were discussed and a tentative date of Sept. 13 was set.

Club members planning to enter the County Fair in September are Marilyn Gilpatrick, Connie Loveday, Barbara Tragardh, Marcia Slauter, Terry Gamble, Patrick Wrigglesworth.

Leo DePalma, Eugene Almquist, James Payne, Robert Carneseca, Gary Aroseo, Liddy Greeberg and Linda Curtis.

After the meeting adjourned refreshments were served by the Slauter family.

SPORT TAKES

by PAT HERNON

YOUR "LUCKY" SPORTSCASTER

There is a possibility that the rule calling for 400 times at bat for a major league batting champion may be set aside this year under special consideration.

Ted Williams, the Boston walloper, is hitting at his usual phenomenal rate since missing much of the season. However, there is little probability that he will have the required 400 ABs. This is due in part to the understandable fact that opposing pitchers walk him whenever possible.

Should he finish the season with the best average and even approach the arbitrary figure, it is possible public pressure will force the commissioner to waive the rule in this case.

Success of San Francisco's "Little Corporation" seems assured for at least the first year. Attendance at Seals games has held up well and there is even talk of a possible 50 cent dividend on the stock shares purchased by citizens last spring. For most it will be an unexpected windfall since they put up the money without expecting financial gain.

Harry Clements, third baseman for the Stockton Ports in the California League, will be honored Aug. 23 with a special night. And for a reason unusual in minor league baseball. Harry, who joined the Ports in 1947, will be playing in his 1000th ball game for the Stockton team.

Interest is high in the middleweight title scrap next week between Rocky Castellani and Bobo Olson. That is usually the case when Jack Kearns is beating the drums for one of the fighters. In this case he is advising Rocky's camp.

At the risk of making Kearns sound talkative, several persons have noted the violent contrast between the Castellani camp and the Olson menage, where inquiries are answered in monosyllables.

Scorers in the PCL go crazy when Milt Smith, Theolic Smith and Dick Smith get into the same ball game. Likewise when San Diego plays Portland and they are forced to differentiate between Bob, Harry and Glenn Elliott.

They should sympathize with the scorers in the Southern Association where George Freese and his brother, Gene, play for the same team — New Orleans.

PETROCHEMICALS TOPIC AT ROTARY

Ted Huggins, public relations representative of Standard Oil Co. of California in San Francisco, will be the featured speaker at next Monday's meeting of the Campbell Rotary Club at noon in I. O. O. F. Hall.

Subject of the address will be "Petrochemicals In Your Life" and Huggins' presentation will feature the Standard's "Magic Barrell", a unique stage prop which dramatically illustrates the hundreds of petroleum-derived chemical products refined from a single barrel of crude oil.

The speaker has for many years chairmanned the well-known weekly Gang Dinners and television shows of the Press and Union League Club of San Francisco. In 1939-40 he also headed the San Francisco World's Fair promotion committee.

The speaker will be introduced by Jack Payne, program chairman of the day.

IN CAMPBELL'S KITCHENS

With the season just starting for cucumbers we have secured two excellent recipes for pickles from Mrs. Ralph Weymouth of 191 West Rincon Ave.

EASY AND DELICIOUS GARLIC DILL PICKLES

Soak dill size pickling cucumbers over night in clear water.

Pack into hot sterilized jars; put 2 heads fresh dill, 1 clove garlic and two grape leaves (if desired) into each quart.

Make solution of: 1 qt white cider vinegar, 1 cup pure salt and 3 quarts of water.

Heat to boiling and pour over the pickles and seal. Let ripen for 2or 3 weeks before eating.

Makes Los Angeles lug equaling approximately 24 quarts.

Mrs. Weymouth nas given us another pickle recipe which is very good and very different.

SWEET-SOUR PICKLES

Take about 20 lbs of very small pickling cucumbers and soak them for 24 hours in brine made with 1 cup of salt and 3 qts. (12 cups) water.

Remove from brine, pour boiling water to cover. Drain in colander. Pack them very closely in sterilized jars (they should shrink, so don't be afraid of pushing). Cover them at once with the following mixture:

1 gallon vinegar
11 cups sugar
1 ounce stick cinnamon
1 tbls. cloves
1 tsp. alum

Seal jars at once. Let ripen for at least 3 weeks.

Note To Readers: If you have any recipes which are unusual, the Campbell Press welcomes contributions to this section. Also if you would like to have any recipe in particular just phone FR 8-0082 and we will be glad to find it for you if we can.

Farm League In High Gear

Campbell Kiwanis took Jay's Sheet Metal for a 19 to 8 lacing last Friday in a Farm Little League game in which Jerry Hancock blasted five safeties in that many times up, one of them being a homer. Rolly Johnson hit two for five times up and scored four times. On Saturday afternoon the Yankees won 19 to 7 behind the three-hit pitching of 8-year old Larry Witzel, then the Kiwanis Realtor and the Campbell Kiwanis tangled with the Realtors coming out on top after pitcher Charlie Jackson tripled in the fifth to drive in the tie-breaking run.

County Building Permits Up 33%

The number of residential building permits issued in the nine Bay Area counties during the first six months of 1954 was 13.3% greater than for the corresponding period in 1953 and 9.9% less than the first six months of 1950, the record housing year, according to a report by the San Francisco Bay Area Council.

A total of 18,456 permits were issued between January and June, 1954. This is greater than the number of houses existing in any one of the Bay Area cities except Berkeley, Oakland, San Francisco and San Jose at the time of the 1950 Census.

Seven of the nine counties registered increases in the number of permits issued during the six month period of 1954 over the corresponding period in 1953.

In the first six month of 1954 a total of 5343 residential permits were issued in Santa Clara county. This is 33,2% greater than the total for the corresponding period in 1953 in which 4,010 permits were issued.

ROTARIANS HOLD CLUB BARBECUE

A tremendously good day with lots of fun, swimming, golfing and ending with a steak barbecue was enjoyed Monday at La Rinconada Golf Club by members of the Campbell Rotary Club and their guests.

Many Rotarians gathered in the afternoon for a golf tournament and following dinner a Chinese auction was held with funds going toward the club's community projects. Prizes were donated by local merchants who are members of the club.

Merv Willoughby served as general chairman for the affair which was attended by approximately 60 people and he was assisted by Tony Raffanti, chairman for arrangements at the club; Bill Moniz, golf tournament chairman, Cel Gerevas, chairman of the Chinese auction and Emerson "Doc" Arends, golf prize chairman.

Student Concert Tonight At School

The traditional concert put on by students participating in the summer music program under the sponsorship of the Campbell High School Recreation District will be held tonight at 7:45 p. m. in the Campbell High School Auditorium.

This program to which the public is invited will give everyone in Campbell an opportunity to see what can be accomplished by such a summer program for the youngsters.

The purpose of the daily program of instruction in music with stress on "Music for Fun" is to produce early membership in child's school band or orchestra or increase proficiency of those already playing in school musical organizations.

The program has grown from the original 55 pupils to 200 pupils in the five years of operation.

The method used in carrying out the program is that for a less-than-fee cost pupils receive instruction daily, five days per week, transportation, all music plus the loan of an instrument for beginners.

Paul Lozar of the Cambrian School staff was director of the program this year and was assisted by Shirley Courtney, Alum Rock High School string instructor; Marian Gould, senior student at Campbell High School, serving as string assistant; Wallace Johnson, string instructor from Rosemary, Quito, and San Tomas Schools; woodwind instructor Les Wesgley, music instructor at Franklin School.

Woodwind instructor Anthony Rapisarda of Cambrian School music department; Edward Tonini of Campbell Elementary School, brass instructor; Karen Blum, senior at Campbell High School, brass assistant; Alice Blair of Union School music department, drums and Les Landin of the Saratoga School Department, folk music.

According to Lozar "Much credit for the success of the music program is due to the hard work and planning of Richard Gordon, Campbell High School music instructor, who retired as director of the program last year."

The music program is part of the recreation program which includes many activities including swimming and crafts under Kenneth Robison, director.

Church Picnic Meet Tomorrow At Alum Rock

A picnic and fellowship evening is being held tomorrow evening, August 13th at seven o'clock for all Methodist couples at the upper end of Alum Rock Park. Food costs will be pro-rated among those attending. Swimming and dancing will follow later on in the evening.

Almira Tanner (FR 8-2718) is making reservations for those wishing to attend.

Democratic Club Meets Tuesday At Rosemary School

The Campbell Democratic Club is to have a combination work study meeting at Rosemary School next Tuesday evening, August 17. Members are to assemble at 7 p. m. then go into precincts for a registration drive. At 9 o'clock refreshments will be served at the school and a speaker on local campaign issues will be heard. All interested are invited to attend.

CAMBRIAN PLAZA WINS LITTLE LEAGUE PENNANT

Western Gravel poured it on Dalmotors 13-1 last Wednesday in the Little League as Kersey on the mound for the victors held his opposition to one lone bingle.

Cambrian Plazans cinched the second half, by taking a 11-3 game from Campbell Stamp Association. Having won the first half schedule, Cambrian thereby became 1954 Little League champions. Off to a slow start by losing the first two games, the Plazans tightened up to win the next six games and the title. Jack Puma, hurling for Cambrian hit a homer and two singles to sparkle Thursday's win.

Cambrian ran out its roster Monday night to win its seventh consecutive game, this time over Dalmotors 14-9. Heinrich hit a homer with two on to place Cambrian in the lead. Box scores:

Campbell Lumber New Champions Of Pony League

In the Wednesday games the Legionaires squeezed the Kiwanians 9 to 8. It was tied in the final inning when the Legionaires worked a squeeze bunt. For American Legion it was Jim Reed and Larry Magdalene, while for the Kiwanians it was Al Knox and Larry Madril.

The Campbell Lumbermen scored five runs in the first inning over Bishop Hawaiians, winning the game by an 8 to 3 score. Both teams made five hits. For the Lumbermen it was Bob Lister and John Mozzopina, while for the Bishops it was Don Kitajima and Carl Carlentine.

All-Stars Start Challenge Games With All-Stars

The Campbell Lumber Company team, champions of the Pony league, is meeting an all-star aggregation of players from the other teams in a two-out-of-three series of games which got under way yesterday on the high school field.

Following is the roster of all-stars:

Max Kinsey and Roger Almquist, pitchers; Jim Corbus and Don Davis, catchers; Bob Lister, cf andP; Ron Corbus, infield; Larry Magdalino, infield-outfield; Mutch McNabb, ss; Jim Reich, inf-P; Jim Reed and Ralph Martinez, outfielders; Franklin Koontz and Tobin Goff, inf-of; Bob Rumbaugh and Larry Beeson, infielders.

Pony League Ends

The Pony League schedule for the second half, wound up in a wild and woolly manner as Campbell Lumber, Rotary, Legion and Bishop Hawaiians were tied for first place.

The Hawaiians eliminated the Legionaires, then the Rotarians eliminated the Legionaires and in the game to decide the second half title, the Lumbermen romped over the Rotarians 8-0 thus winning both halves of the league play.

ADVENTISTS SEE MORAL COLLAPSE AS WORLD ISSUE

Seventh-Day Adventists are home again after attending their annual 10-day encampment at Soquel which ended Saturday night

Dr. Edward Heppenstall, dean of theology at La Sierra College, Arlington, warned that "while the United States is making a colossal effort to win the world battle against communism, the nation is facing moral collapse at home."

Dr. Heppenstall decried the fast that "loss of respect for basic Christianity is breaking down the homes in this nation. Commercialized vice, sin and crime are being encouraged by adult society. There are huge printing presses devoted entirely to producing immoral reading matter aimed at the minds of young people. The purity and character of American youth is being destroyed and the nation is being weakened internally at a time when it needs to be strongest. What does it profit a nation if it defeat communism throughout the whole world, and yet lose the souls of its own young people," Dr. Heppenstall demanded.

The Seventh-day Adventist camp meeting opened July 29 on the denomination's 80-acre conference grounds five miles northeast of Santa Cruz. Attendance ran as high as 9,000 people. Some 2,000 people lived in house trailers and 600 tents throughout the convocation.

Services at the local Adventist church will be resumed Saturday, August 14, when the pastor and members return from camp meeting.

EARLY ENTRIES SET FOR MEADOWS AUTO CLASSIC

Although the big 250-mile Grand National Stock Car Race is still almost two weeks away, early entries are already coming in, according to promoter Bill Kyne and NESCAR regional director, Bob Harkhimer. The race is scheduled for Bay Meadows Sunday afternoon, August 22.

Among the early entries are Jim Graham of San Francisco, driving a brand-new 1954 Oldsmobile; Chuck Pemberton of San Jose, Woody Brown of Oakland; and Ed Normi of Petaluma.

A radio powered by sunlight. Man's centuries-old dream of getting power directly from the sun has come true at last. Bell Telephone Laboratories has built a *solar battery* that directly and efficiently turns sunlight into usable electricity. Made of highly purified silicon—which comes from common sand—the Bell solar battery can run a small radio set (above) or send voices over telephone wires. Telephone people are still testing it. But chances are good that, once they finish, the Bell solar battery will offer great opportunities for improvement and economies in telephone service. Research like this helps us bring better service to more people at the lowest possible cost. **Pacific Telephone.**

Congregational Church Activities

The annual picnic for the Congregational Church of Campbell is to be held at DeLaveaga Park in Santa Cruz on September 26th at which time the Santa Cruz church will participate to make of it a large affair.

Dr CORWIN OLDS, pastor of the Congregational Church is making his official visit today at the California Air National Guard camp at Boise, Idaho. He is to attend the Army National Guard Camp at Hunter Liggett Military Reservation from Saturday to August 29th.

Dr. Corwin H. Olds of the Congregational Church of Campbell will leave this week for his annual tour of duty with the California National Guard at Camp Hunter-Liggett returning to conduct services at the church on August 29.

The Rev. Frank E. Carlson D. D. will conduct the services August 15 and 22 in the absence of Dr. Olds and will be available for emergency Pastoral Services at his home in McFarland Ave. in Quito Park or by calling FR 8-5026.

Meet To Decide Bascom Feeder Cloverleaf Area

Any changes concerning area needed to set up the Bascom avenue interchange for the Route 5 freeway will probably be decided at a public meeting this week when San Jose representatives meet with engineers of the State Division of Highways.

Plans for the public meeting were made Friday when civic leaders of Santa Clara and San Jose met with state highway engineers at San Francisco. Freeway plans were then discussed with state officers regarding the Park Avenue, Bascom Avenue, Stevens Creek Road and Moorpark avenue crossings over which there has been considerable controversy.

Chrysler Sales Gained In July

Contrary to usual industry sales patterns retail Chrysler sales for the last 10 days of July were up 13.5 per cent over the second 10-day period in July, reports E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation.

Overall July retail deliveries of Chrysler cars exceeded June deliveries by 6.1 per cent.

"We began July with a record 10-day delivery period which continued a trend upward begun in June," Braden said. "Our business upswing results from hard selling on the part of our dealers who have been greatly assisted by our expanded field sales force."

Braden said that Chrysler now has orders from dealers for every 1954 model remaining to be built.

"Many of our dealers underestimated their sales needs and as a result of our sales improvement plus the recent wildcat strike have found themselves short of some models," Braden said. "In some cases local dealers have chosen one of their group to act as an information clearing house to help them exchange cars to meet customer demand."

J & A MARKET OFFERS NEW LINE

The J and A Food Mart at 369 East Campbell Ave. has plans for two days of shopping when Friday and Saturday they introduce a new and complete line of Meadow Gold products to the shoppers of Campbell.

According to Sam P. Cava, owner of the J and A, he has put in the Meadow Gold with the belief that the product is of better food value and has a larger assortment to offer the consumer.

Three or four Meadow Gold representatives will be on hand to give a demonstration of all of their products at the store on these two days from 10:30 a. m. to 6:30 p. m.

The company representatives will have free ice cream for all shoppers and their families and there will be ballons for the youngsters as well as ice cream.

The new line includes ice cream in a wide assortment of flavors, sherbets, frozen milk and ice cream novelties as well as all the Meadow Gold milk products.

Two Campbell Men In Auto Business

Two Campbell men have gone into partnership to open Burbank Auto Sales featuring "the finest in automobiles" at 1798 West San Carlos Street in San Jose.

The used car lot features all makes and models of used cars and the co-owners can furnish any buyer with any make or model of car he may desire.

The business will be open evenings and Sundays for the convenience of customers and the owners state that they can arrange any kind of financing the customer desires.

The co-owners are Charles Goodwin and H. R. Strickland.

Goodwin has made his home with his wife and three children at 155 Hardy Ave. since 1939. He was associated with James L. Countryman, Oldsmobile and Cadillac dealer, for whom he ran a used car lot in Campbell for the past five years. Before that he had his own used car business located on S. Winchester Road.

Strickland and his wife and daughter have made their home at 191 Cherry Lane since 1946. He previously owned his own used car lot on S. Winchester Road and before that was in the automobile business in Denver, Colorado.

Mrs. Melba Penhall Opens Beauty Shop

Melba's Beauty Shop at 401 E. Campbell Ave. opened its doors for business on Tuesday of this week.

The shop is owned and operated by Mrs. Melba Penhall who resides at the same address and has been a Cempbell resident for the past 12 years.

The shop has been completely redecorated with primarily all new equipment installed for efficiency in operation. There is lots of room for customer parking near the shop with no parking limit set on the side street.

Mrs. Penhall is a graduate of Sullivan's Beauty College in San Jose and for the past two years has been associated with Alma's Beauty Studio in Campbell.

She is a member of Ada Rebekah Lodge and the San Jose Ladies Encampment.

Her husband, Cyril Penhall, is well-known in Campbell business circles and is the owner of Panhall's Barber Shop on E. Campbell Ave., a shop which has been in his family for many years.

Williams Injured In Auto Accident

A car driven by Charles R. Williams of 812 Lovell Ave. was involved in an accident with a second car driven by Eugene C. Rudy of 454 Arleta, San Jose at 7:25 a. m. Monday morning at the intersection of Arleta and Elliott.

Williams and two passengers in his car, Freda Williams of Lovell and W. R. Williams of 201 Sunnyside were injured and taken to a private physician for treatment.

SERVICE NOTES

Harvey E. Gorham, 702 Harrison St., Campbell, has been selected to attend the new U. S. Navy reserve officers school which will convene next month on Treasure Island.

The new school is part of a national Navy program designed to broaden the knowledge and professional competence of naval reserve officers not on active duty.

Travel Slides Shown To Grange

The regular meeting of Orchard City Grange conducted by Master A. J. Emery on August 10 found 74 members present and visitors from Prunedale Grange, Almaden, Cupertino and Gilroy.

One of the highlights of the meeting was the new uniforms worn by the assistant steward and the lady assistant steward.

The Lecturer program consisted of beautiful slides shown by Mr. and Mrs. Al Dean of Cupertino Grange of their recent tour tour through 32 states and Quebec. During the three and one half months trip the Deans visited many places where early American history was made.

Harry Barnes, member of the local Grange and California State Grange Executive Board member and John Gordon, local member and District Deputy, were escorted to the right of the Master Station and their wives were also especially honored and also seated to the right of the Master Station.

H. Barnes reported and explained the proposed California State Constitutional Amendment on licensing the sale of alcoholic beverages for one year only and granting the local communities the power to veto state liquor licenses thereby trying to curb the corrupt practices existing. The California State Grange is supporting the passage of this amendment and members of the local grange will also support the measure.

John Gordon reminded the members of some proper procedures at meetings and announced the next meeting of Pomona Grange at Morgan Hill when some pictures will be shown dealing with the history of the Grange Credit Union.

The Lecturer, Josephine Biller, announced a very interesting program for the next meeting, August 24, which will be Booster Night, an open meeting to which members are urged to bring their friends and neighbors.

Master A. J. Emery thanked the Grange for the recent surprise party given for the Emerys on the occasion of the 53rd wedding anniversary and for th ebeautiful table lamp which they will cherish very much.

Refreshments were served by Lilly LaVegue who was assisted by Frank Butts and Mrs. Pauline Stoyanovich.

Members were glad to have Mrs. Shadle back at the meeting after a recent illness.

Prominent Woman Undergoes Surgery

Mrs. Ellen Tutt Pierce of Apricot Way underwent surgery Tuesday at O'Connor Hospital in San Jose.

She is well-known in Campbell and is an active member of the Campbell Chapter, Order of Eastern Star.

Friends will be pleased to know that she is recovering nicely.

Campbell Child Struck By Truck

Little three and a half year old Deborah Tolbertson is at home recovering from a concussion sustained Friday when struck by a truck on Davis Street.

The little girl, the daughter of Mr. and Mrs. Lloyd C. Tolbertson of 615 Stonehurst Way was taken to O'Connor Hospital after the accident for treatment and X-rays.

She may have visitors according to her mother but must remain quiet until her complete recovery.

Left-Handed Dads To Play Cub Pack Soft Ball Friday

Cub Pack No. 74 will meet tomorrow evening at the Cambrian School at which time arrow point awards are to be made.

There is to be a soft ball game after the game between the Cubs and their dads who will bat and throw left handed. When that is settled there is to be an Indian camp fire, according to George Kemp, cub master. The Pack is to meet every two weeks.

San Francisco is the center from which mining enterprises not only in California but all over the world are directed.

Paraffin Ignites Cambrian Park Fire

A total of three pieces of Santa Clara County Central Fire District equipment were sent to the home of Mr. and Mrs. W. F. Silva of 15424 Herring Ave., Cambrian Park to extinguish a blaze in the kitchen Monday.

Mrs. Silva was heating paraffin to seal canning jars when the wax caught on fire igniting the kitchen curtains.

Loss was estimated as not over $125 by Capt. James Ackley of Central Fire District and was primarily heat damage to the kitchen walls.

Smokey, the forest fire prevention bear, and his pals need your help more than ever this year—the grass, brush and forests are tinder dry. Do your part. Help keep California green and golden.

Local Restaurant Has New Manager

Mrs. Lillian Lightner of San Jose purchased the Nifty Nook at 7 S. Winchester Road on Aug. 1 from Bessie Kjelstrup and is now open for business.

Outstanding feature of the restaurant will be the merchant's lunch served from 11: a. m. to 2:00 p. m. with a new menu every day.

She is also specializing in chicken and prawns served in a basket and will serve breakfast, lunch and dinner every day except Sunday.

Mrs. Lightner plans to make her home in Campbell soon.

She formerly owned the Mutt and Jeff restaurant in San Jose which she operated for three years and before moving to San Jose made her home in Alturus in Modoc County.
